

2016-2017 TRMS Check-In Instructions

Welcome to the 2016-2017 school year. We are eager to start another great year. Please visit our website at www.thunderridge.cherrycreekschools.org for further information regarding the upcoming school year.

Check-in forms are available for parents to complete on the internet. Average time to complete the forms is approximately five minutes per child. Parents who submitted information in 2015 can save time by accessing the system to review, update, and save information previously stored. Parents can always return to the web-based forms to update information that may change during the year (i.e. cell phone numbers, medical updates, etc.)

You will find registration and login information at <http://my.cherrycreekschools.org>. If you are not able to complete these forms online, we will have computers available at Thunder Ridge for your use beginning August 2nd.

Parents are expected to return to these web-based forms throughout the year to update information that may change, such as cell phone numbers and medical updates.
